To Whom It May Concern:

We currently have 35 locations using Sonitrol alarm systems which includes our retail stores, office and warehouse.

I have been using MySonitrol.com that has all 35 locations on it for the past few years and have been very please with the information that this gives me plus it allows me to make any changes, ie adding and deleting users.

I would highly recommend MySonitrol.com.

Very truly yours,
