RENOSOL®

Dear Mr. Barber,

I would like to take this opportunity to let you know that I have been a satisfied customer with Sonitrol Tri County for several years now. We are very satisfied with the performance of our alarm system. We are especially impressed with the access control portion of our system. We previously had problems with doors being left unlocked at night. Now that we have access control our doors are able to be set to lock at a predetermined time after hours automatically, therefore eliminating unlocked doors at night.

We will certainly be in touch for any expansions or additions we might have with the system and in addition we would be more than happy to refer Sonitrol to any of our friends or associates.

Sincerely,

Vern Parks
