Re: Security System

To Whom it may concern:

The 44th District Court of Royal Oak is extremely satisfied with the level of service we are currently receiving from Sonitrol. The staff has always been professional and very pleasant to speak with. I would recommend Sonitrol to anyone who is looking for a security system for home or office. With Sonitrol we get both piece of mind and great customer service.

Sincerely,

A handwritten signature in cursive script that reads "Kevin Sutherland".
