To Whom It May Concern:

We have been dealing with Sonitrol for over 15 years. During that 15 + year relationship Sonitrol has met and maintained our security needs without interruption. In our location in Detroit we have had a few attempted burglaries that were faulted by our current security system.

Sonitrol keeps us apprised of new technologies and products and shows a true concern for our business. I would recommend them to anyone interested in security for their establishment.

Sincerely,

Jeffrey S. Siarto
